Public Records Request

The City of Hermosa Beach encourages public participation in the governing process and provides reasonable accessibility to all public records except those documents which are exempt from disclosure by express provisions of law or considered confidential or privileged under the law. The City is under no obligation to respond to requests which are not focused or specific. The City may withhold documents which are exempt from disclosure under state or federal law, including the attorney—client privilege or any other applicable privilege. The City, in accordance with Government Code Section 6253(b), has ten (10) days to respond to any request for public documents by indicating whether or not the documents exist and will be made available. Actual production of the documents may take somewhat longer depending upon their ease of availability and staff workload. To assist us in providing a timely response to your request, please fill out the form below and indicate the specific record/document you wish to review.

Record or Document Requested:

To assist the City with your request, please identify each requested record/document separately. Please be as specific as possible. Non specific inquiries may cause responses to be delayed or may prove to be burdensome and therefore the City may not be able to respond. (Additional sheets may be used) **Submit all requests to the City Clerk's Office.**

I am respectfully requesting all email correspondence with the following email address, thomas@powers-realty.com, and city/police staff. Attached is an email provided from recent legal proceedings where it appears Powers has a familiar relationship with Melanie Chavira and Jamie Ramirez. While on probation Powers admits he is corresponding with me through a fake Facebook account, and is implying I am a potential mass shooter with ghost guns. I'm regularly harassed by fake accounts but this is crazy.

Photocopies are \$0.20 per page (Mailing fee, if applicable is \$3.00 plus postage). Fees must be paid before records are released.

I agree to pay all applicable fees and charges per the City Council Resolution of Fees for any copies I request of the above mentioned document. ***Accepted method of payment:*** Cash or check. Credit card accepted in person only.

Good morning,

I am a little concerned that I never received a response from either of you concerning Mr. McCool's reference to a 'ghost gun'. In light of yesterday's FL school shooting this greatly concerns me. I don't know what you can do, but not replying has left me a little shook up. Every news agency says to tell the authorities if you think someone is capable of doing something like this. Even if this email just goes into a file, I would like to know. Thank you.

Hello,

This is from Facebook messenger app that my father set up originally. He was trying to get Mr. McCool to admit that he was sending flyers to my potential customers, which you had said was obvious. Anyways, this is from FB and no messages have been sent in 2017 until this one, where Mr McCool mentions 'ghost guns', which are untraceable firearms. Like I have repeatedly said, I am scared to death of this guy. In fact, he sent another message last night. It is attached. He is basically saying that he is going to go around the law to 'punish' me.
